

IMPORTANT NOTICE TO RESIDENTS

Just Bugs GTA will be providing a STORED PRODUCT PEST CONTROL SERVICE in your residence on _____, at _____ a.m/p.m.

All people and pets must vacate treated units for a minimum of FOUR (4) to SIX (6) hours after the treatment. You must leave upon commencement of the work. Pregnant or nursing women, children under two (2) years old, or those with allergies or respiratory problems, must vacate for EIGHT (8) to TWELVE (12) HOURS OR OVERNIGHT.

Aquariums must be covered and filters turned off.

TO ENSURE SUCCESS, THE FOLLOWING PREPARATIONS MUST BE DONE PRIOR TO OUR ARRIVAL

- **Find the source and throw it out. Examine all dried foods, including pet food, whether the packaging is open or not.**
- **Remove everything from the kitchen cupboards and drawers, and any other food storage areas as well. Food and dishes can be stored on the kitchen table under plastic or a sheet.**

- **Replace all old or ripped shelf paper.**
- **Move everything 6 inches away from the baseboard area. Electronic equipment and heavy furniture may be left in place. This only applies to those rooms where people eat or food is stored.**
- **Reduce clutter! Insects hide in paper, boxes and cluttered areas, especially those near sources of heat and moisture.**
- **Thoroughly vacuum all floor level cracks and crevices to remove crumbs.**
- **Thoroughly clean all food storage areas and all areas in the kitchen, especially under and around the fridge, stove, toaster, and microwave.**

Upon returning home please ventilate your unit, place new shelf paper or paper towel down in your cupboards, and replace all contents. Do not wash floors or cupboards for three weeks.

If activity continues after the third week, please call for a follow-up treatment.

We will be applying Dragnet (permethrin 0.5%, PCP #24175).

Avoid touching treated areas.

In an emergency contact Ontario Poison Centre 1.800.268.9017 or 416.813.5900 24/7 for expert poison advice 24 hours per day. Supporting all of Ontario.

IF THE ABOVE IS NOT DONE IT MAY BE IMPOSSIBLE TO ELIMINATE THE PROBLEM
